I. Legal Authority

The legal authority for regulation of child care is based on:

Child Care Safety Act #2018-278.

Title 41, Chapter 22, Section 19, 41-22-19, see also 41-22-1 et. seq.

Title 26, Chapter 14, 26-14-1 et. seq.

Administrative Code, Section 660-5-27

Hearings and Appeals (See Section K, page 53.)
II. Regulations

These regulations prescribe minimum standards for family day care homes. Additional regulations for family nighttime homes, group day care homes and group nighttime homes are prescribed in Sections G., H., and I.

For purposes of these regulations, a license is required for persons:

- Providing care for one or more children who are not related to the provider;
- With or without compensation;
- Away from the child’s home;
- For more than four (4) hours in a 24 hour period.

A. Definitions

In the context of these regulations, the following definitions apply.

1. **ADULT.** Any person 19 years of age or older.

2. **ASSISTANT CAREGIVER.** A person providing care and guidance of the children in a group day care/nighttime home, under the supervision of the licensee.

3. **CAREGIVER.** A person providing care and guidance of the children in the home.

4. **CHARACTER AND SUITABILITY.** The person maintains business/professional, family, and community relationships that are characterized by honesty, fairness, truthfulness, and concern for the well-being of others to the extent that the person is considered suitable to be entrusted with the care, guidance, and protection of children.

5. **CHILD.** Any person under 19 years of age.

6. **CHILD ABUSE AND NEGLECT.** According to the Code of Alabama 1975, Section 26-14-1, abuse is defined as harm or threatened harm to a child's health or welfare. Harm or threatened harm to a child's health or welfare can occur through nonaccidental physical or mental injury, sexual abuse or attempted sexual abuse or sexual exploitation or attempted sexual exploitation. "Sexual abuse" includes the employment, use, persuasion, inducement, enticement, or coercion of any child to engage in, or having a child assist any other person to engage in any
sexually explicit conduct or any simulation of the conduct for the purpose of producing any visual depiction of the conduct; or the rape, molestation, prostitution, or other form of sexual exploitation of children, or incest with children as those acts are defined by Alabama law. "Sexual exploitation" includes allowing, permitting, or encouraging a child to engage in prostitution and allowing, permitting, encouraging or engaging in the obscene or pornographic photographing, filming, or depicting of a child for commercial purposes. Neglect is defined as negligent treatment or maltreatment of a child, including the failure to provide adequate food, medical treatment, supervision, clothing or shelter.

7. COMMISSIONER. The Commissioner of the State Department of Human Resources.

8. DAY CARE HOME. A child care facility which is a family home and which receives not more than six (6) children for care during the day.

11. FACILITY FOR CHILD CARE OR CHILD CARE FACILITY. A facility established by any person, group of persons, agency, association or organization, whether established for gain or otherwise, who or which receives or arranges for care or placement of one or more children, unrelated to the operator of the facility, apart from the parents, with or without the transfer of the right of custody, in any facility as defined in this chapter, established and maintained for the care of the children.

12. FAMILY HOME. A family home is the dwelling in which the applicant/licensee resides. (Residence is determined by address, mortgage payment or rent, voting district, property taxes, etc.)

For purposes of these regulations, this term includes children who are five (5) years of age on or before September 1, (or the date on which school begins in the enrolling district pursuant to Code of Alabama 1975, § 16-28-4) of a given year. This definition corresponds with the minimum age at which a child is entitled to admission to public school kindergarten.
15. **LICENSEE.** Any person, group of persons, or corporation, to whom the license or permit is issued.

16. **NIGHT CARE FACILITY.** A child-care facility which is a center or a family home receiving a child or children for care after 7:00 p.m. A "night care facility" is further defined as follows:

   d. Applications for a license shall not be transferred from one person to another or from one location to another.

2. Prohibited Advertisement

   a. No person, unless licensed or holding a six-month permit, may cause to be published any advertisement which solicits a child or children for care. To solicit a child or children for care means, among other similar actions or terms, to invite, appeal, plead, lure, beg, request, offer, suggest, promote, or implore. Both free and paid advertisement is prohibited.

   b. Prohibited advertisement includes, but is not limited to, printed and published material; descriptive literature and aids; speeches, talks, and presentations; flyers; booklets and pamphlets; signs and posters; illustrations and depictions; newspaper, radio, television, magazine, Internet, and/or other media advertising; letters and direct mail advertising; and any materials used by agents. Prohibited advertisement also includes printed and illustrated material or descriptions on cups, mugs, pens, pencils, or other objects.

   c. The following activity does not constitute prohibited advertisement:
      (1) Advertisement using a name and address seeking employment applications for staff positions; provided that a license application has been filed with the Department and the advertisement includes the clearly visible phrase, “license application pending.”

   b. The inspection and investigation will be based on minimum standards and regulations as prescribed and published by the Department.
   c. When minimum standards have been met, a license will be issued.

4. Denial of an Application
   If the application is denied, the Department will notify the applicant in writing, indicating the reason(s) for the Department’s decision.

5. Withdrawal of an Application
   The applicant may withdraw the application either verbally or in writing, at any time during the licensing process.

6. Six-Month Permit
   a. The Department may, at its discretion, issue one six-month permit to allow reasonable time for the applicant to become eligible for a full license. A new application is not required at the expiration of the six-month permit. The initial application remains pending during the six-month permit period. A two year license may be issued when the home meets minimum standards.
   b. The Department’s decision to issue a six-month permit may be made after the applicant has met all Minimum Standards except for providing one-half of the required equipment for each age group for which the home is licensed/permitted. (See Section L., page 55, for equipment list.)
   c. The application shall be denied and the home shall close if Minimum Standards have not been met at the expiration of the six-month permit.

7. Provisions of a License/Permit
a. A license issued by the Department is valid for two years unless revoked or suspended by the Department or voluntarily surrendered by the licensee.

b. A six-month permit issued by the Department is valid for six months unless revoked or suspended by the Department or voluntarily surrendered by the licensee.

c. The number of children in the home or in the care of the licensee, including children on the premises or on field trips, at any given time, shall not exceed the number specified on the license/permit. Children shall be counted as follows:
   (1) Children younger than lawful school age (see definition, Section A., 14., page 9), who live in the home shall be counted when they are in the home or on the premises.
   (2) Children of lawful school age and older, who live in the home, shall not be counted.
   (3) Children younger than twelve (12) years of age, who are visiting in the home during the hours of child care, who are not accompanied and supervised by an adult, whether related to the licensee or not, shall be counted when they are in the home or on the premises.

d. The age range of the children received for care shall conform to the specifications on the license/permit.

e. No home shall be licensed for more than three (3) children younger than twelve (12) months of age. Exceptions may be granted by the Department to allow for multiple-birth sibling groups (such as triplets) to be received for care.

f. The Department and its authorized representatives shall have the right to inspect:
   (1) any child care facility seeking a license;
   (2) any child care facility seeking a renewal of a license;
   (3) any child care facility which is operating under a license or a six-month permit.

   Such inspection shall be made at any reasonable time, without prior notice, and may include the entire home and grounds. Prelicensing visits/inspections may be made by appointment.

g. The Department shall have the right to immediately suspend, limit, or restrict the license/permit of a child care home when conditions hazardous to the health and safety of the children exist, including but not limited to:
   (1) The right to restrict, limit, or suspend specific activities provided by the child care home, such as but not limited to: away-from-the-home activities; transportation of the children; swimming.

h. The current license/permit shall be posted in a place in the home easily viewed by the parent(s)/guardian(s).

i. The license/permit shall not be transferred to another person or to another location and is void if the licensee moves to another dwelling.

j. Violators of provisions or standards prescribed by the Department shall be guilty of a misdemeanor and shall be fined not less than $100 nor more than $1000 or be imprisoned in the county jail not longer than one year, or both. (Code of Alabama 1975, § 38-7-16 (7).)

8. Renewal of a License

a. An application for renewal of a license shall be submitted to the Department at least thirty (30) calendar days prior to the expiration of the current license. The application for renewal shall be made on the Department's required form(s). (See Appendix A, page 58, for a copy of required form.) It is the sole responsibility of the licensee to obtain the required form(s) and submit the form(s) to the Department on time.

b. The home's license continues in effect until a decision is made by the Department on the application for renewal, provided that:
   (1) the application for renewal is received by the Department at least thirty (30) calendar days prior to expiration of the license;
   (2) the application is complete and accurate.

c. If the application for renewal is not received on time (not received at least thirty (30) calendar days prior to expiration of the license) or if the application is not complete and accurate, the license will expire on the expiration date shown on the license. If the licensee continues to operate after the expiration date, the licensee will be reported to the District Attorney and the Attorney General for operating an unlicensed child care facility.

d. If, upon inspection, minimum standards are not being met, corrective or adverse action shall be taken. (See Section J., page 49, for additional information.)

9. Department Visits and Consultation

a. Visits to the home are made by representatives of the Department to determine if minimum standards are being met, to investigate complaints and to provide consultation.
b. Visits made for the purpose of determining if minimum standards are being met or to investigate a complaint shall be made without prior notice. Prelicensing visits may be made by appointment.

c. The licensee shall be informed of complaints of alleged licensing violations made to the Department against the licensee.

d. The licensee shall not be informed of the identity of the complainant by the Department.

No right to employment is created by the issuance of a letter stating an individual is suitable for employment.
   (e) The licensee shall inform the Department of any criminal convictions and current criminal charges involving the licensee, household members, substitutes, caregivers, domestic workers, and other persons who have contact with the children or unsupervised access to the children, which occur after a license/permit is obtained. (d) An application for a license shall be denied or a license or permit shall be suspended or revoked if the applicant/licensee, a household member, substitute, assistant caregiver, domestic worker, volunteer, or any other person who has contact with the children or unsupervised access to the children, is determined to be of unsuitable character to work with children, to have contact with children or to have unsupervised access to children.

Corrective or adverse actions may be imposed by the Department when the licensee fails to meet and maintain minimum standards prescribed by the Department. Corrective/adverse actions may include, but need not be limited to: deficiency reports; corrective action plans; probationary status; restrictions or modifications of the provisions of the license/permit, suspension of a license/permit, and revocation of a license/permit.

Written notice of the corrective or adverse action shall be posted at each public entrance of the child care home.

None of these regulations are to be interpreted to allow a home to operate in violation of the minimum standards or out of compliance with the minimum standards.

1. Deficiency Report

If an inspection, evaluation, or investigation indicates non-compliance with the minimum standards (deficiency), a deficiency report shall be prepared by the Department. A deficiency report is prepared in conjunction with or subsequent to a visit to the home, or after investigation of a substantiated complaint regarding the home. In any visit to the home in which deficiencies are observed or noted, the licensing representative shall complete a deficiency report, and discuss the deficiencies observed or noted with the licensee or facility representative. A copy of the completed deficiency report shall be provided to the licensee or facility representative. No deficiency report shall be completed in conjunction with a prelicensing visit.

2. Corrective Action

a. If an inspection, evaluation, or investigation indicates continued or repeated non-compliance with the minimum standards, or if areas of non-compliance indicated previously on a deficiency report are not corrected, a corrective action plan may be developed to allow the licensee to achieve compliance with the minimum standards while continuing to care for children. The corrective action plan shall include: a statement of each deficiency; a description of how the deficiency shall be corrected; the date by which corrections shall be completed; and the signature of the Department's representative and the licensee or facility representative.

The length of time the corrective action plan remains in effect shall be determined based on the nature of the areas of noncompliance. If the licensee fails or refuses to comply with
the minimum standards and the terms of the corrective action plan, the Department may initiate adverse action such as probation or revocation of the license/permit.

c. Requests for changes to the provisions of the license such as increases in licensed capacity or changes in the ages of the children received for care shall not be granted during the corrective action period.

3. **Probationary Status**

a. If an inspection, evaluation, or investigation indicates non-compliance with the minimum standards, or if conditions exist that could pose a hazard to the health and safety of the children in care, a period of probationary status may be instituted to allow the licensee to achieve compliance with the minimum standards while continuing to care for children. At the beginning of the probationary period the licensee shall be provided with: a statement of each deficiency; a description of how the deficiency shall be corrected; the date by which corrections shall be completed; and the signature of the Department's representative and the licensee or facility representative.

b. During the probationary period, the licensee shall correct each deficiency (area of noncompliance) and shall report the corrections to the Department. The length of the period of probationary status shall be determined based on the nature of the areas of noncompliance. The maximum period shall be six months. At the end of the probationary period, the home’s license shall be returned to active status if the home is in compliance with the minimum standards. If the licensee fails or refuses to comply with the minimum standards during the probationary period, the Department may initiate revocation of the license/permit.

5. **Revocation of a License**  
(See Code of Alabama 1975, Section 38-7-8).

The Department may revoke or refuse to renew the license of the child care home or refuse to issue a full license to the holder of a six-month permit should the licensee:

a. Consistently fail to maintain standards prescribed and published by the Department;

b. Violate the provisions of the license issued;

c. Furnish or make any misleading or any false statements or reports to the Department;

d. Refuse to submit to the Department any reports or refuse to make available to the Department any records required by the Department in making an investigation of the child care facility for licensing purposes; provided, however, that the Department shall not revoke or refuse to renew a license in such case unless it has made written demand on the person, firm or corporation operating the facility requesting such report or reports and such person, firm or corporation fails or refuses to submit such records for a period of ten days.

e. Fail or refuse to submit to an investigation by the Department;

f. Fail or refuse to admit authorized representatives of the Department at any reasonable time for the purpose of investigation;

g. Fail to provide, maintain, equip and keep in safe and sanitary condition the premises established or used for child care as required under standards prescribed by the Department, or as otherwise required by any law, regulation or ordinance applicable to such facility;

h. Refuse to display its license or permit;

i. Fail to maintain financial resources adequate for the satisfactory care of children served in regard to upkeep of premises and provisions for personal care, medical services, clothing, learning experience and other essentials in the proper care, rearing and training of children;

or

j. Fail to adhere to all terms of the Family/Group Day Care/Nighttime Home Agreement required on the Application for a License.
6. **Suspension of a License**

In accordance with the Code of Alabama 1975, Sections 38-7-11 and 41-22-19(d), the Department has the authority to immediately suspend without notice the license/six-month permit if an inspection by the Department of a licensed child care facility discloses any condition, deficiency, dereliction, or abuse, which is, or could be, hazardous to the health, safety, or physical, moral, or mental well-being of the children in the care of the child care facility being inspected. In this event, the child care facility shall not operate during the pendency of any proceeding for a fair hearing or judicial review, except under court order. The suspension may remain in effect for a period of not longer than 120 days and shall not be renewable. The license shall not be suspended for the same or a substantially similar emergency within one calendar year from its first suspension unless the emergency could not have been reasonably foreseen during the initial 120 day period that such emergency would continue or would likely reoccur during the next nine months. When such summary suspension is ordered, a formal suspension or revocation proceeding shall also be promptly instituted and acted upon.

7. **Penalty for Unlicensed Facilities**

If the Department representative determines, through investigation, that any person, group of persons, or corporation is, or has been, operating a child care facility without a license, approval or six-month permit, the results of the investigation shall be reported to the Attorney General and to the appropriate District Attorney for prosecution (See Code of Alabama 1975, Section 38-7-10, 38-7-16, and 38-7-17).

8. **Refusal to Permit Inspections**

(Code of Alabama 1975, Section 13A-10-3.)

a. A person commits the crime of refusing to permit inspection of property that is owned, possessed or otherwise subject to his/her control if a public servant is legally authorized to inspect such property and an attempt is being made to exercise that authority and he/she:

   (1) refuses to produce the property for a reasonable inspection; or
   (2) refuses to permit a reasonable inspection.

b. For the purposes of this section, “legally authorized inspection” includes any lawful search, sampling, testing or other examination of property, in connection with the regulation of the defendant’s business or occupation, that is authorized by law.

c. Refusing to permit inspection is a Class C misdemeanor (fine of not more that $500.00 or imprisonment in county jail for not more than three months).
K. Hearings and Appeals

1. Pre-revocation Hearings
   a. If the Department makes the decision to revoke or refuse to renew the license, six-month permit, or approval, a pre-revocation hearing shall be held in order to discuss the intended action and give the licensee/permit holder an opportunity to show why the action should not be taken. Notice of the pre-revocation hearing and notice of action taken by the Department following the pre-revocation hearing shall be sent to the licensee/permit holder by certified mail unless waived. The pre-revocation hearing shall be held in accordance with the Administrative Code, Chapter 660-1-5, a copy of which may be obtained from the Department on request. The pre-revocation hearing does not alter the licensee/permit/approval holder’s right to a fair hearing.

   b. If the Department finds that danger to the health, safety or welfare of the children requires emergency suspension of a license, six-month permit, or approval, the licensee/permit/approval holder shall be notified in writing of the reason(s) for the decision. The Department may proceed without hearing or upon any abbreviated hearing it finds practicable to suspend the license, six-month permit, or approval. The suspension shall become effective immediately unless otherwise stated. In this event, the child care facility shall not operate during the pendency of any proceeding for a fair hearing or judicial review, except under court order. The suspension may remain in effect for a period of not longer than 120 days and shall not be renewable. The license/permit/approval shall not be suspended for the same or a substantially similar emergency within one calendar year from its first suspension unless the emergency could not have been reasonably foreseen during the initial 120 day period that such emergency would continue or would likely reoccur during the next nine months. When such summary suspension is ordered, a formal suspension or revocation proceeding shall also be promptly instituted and acted upon.

   c. No pre-denial hearing is required to be held prior to the denial of an initial application for a license.

2. Request for a Fair Hearing
   a. An aggrieved person may request a fair hearing in the following situations:
      (1) If an application for an initial license is denied;
      (2) If an application for a renewal of a license is denied;
