Vendor questions and the Department's responses, as well as any formal written addendum will be posted on the Department's website at www.dhr.alabama.gov by the close of business on the date listed.

1.6 MANDATORY REQUIREMENTS

Vendors are expected to respond to all of the requirements described in this document. The Department will determine whether a vendor's proposal meets the terms of the requirements. Proposals that do not meet all requirements listed in this RFP may be subject to point reductions during the evaluation process or may be deemed non-responsive. Proposals that do not meet the requirements 1.6.1 through 1.6.7 will be deemed non-responsive and no other consideration will be given. **DO NOT ALTER ANY OF THE FORMS LISTED BELOW OR OTHERWISE INCLUDED/REQUIRED IN THIS DOCUMENT.**

1.6.1 DEADLINE FOR RECEIPT OF PROPOSALS

Proposals must adhere to the format requirements and must be received by the deadline for receipt of proposals as specified in the Schedule of Events and Section 1.8.1 *Required Copies and Deadline for Receipt of Proposals*.

Disclosure Statements are available for completion on the Attorney General's web site at www.ago.alabama.gov under *Publications and Forms*. Vendors may also click on the following links for a copy of the Disclosure Statement: (online fill-in) <http://www.ago.alabama.gov/File-AL-Vendor-Disclosure-Statement> when connected to the internet. Vendors must include a completed copy of the Disclosure Statement in their proposals.

1.6.4 CERTIFICATE OF COMPLIANCE

Vendors must submit a completed, signed copy of the certificate of compliance (*Appendix D*) with their proposals.

1.7 GENERAL REQUIREMENTS

1.7.1 ACCEPTANCE OF STANDARD TERMS AND CONDITIONS

By submitting a response to this RFP, vendors agree to acceptance of the standard terms and conditions of this RFP. Requests for additions or exceptions to the standard terms and conditions including any necessary licenses, or any added provisions must be submitted to the procurement officer by the due date for receipt of written questions and must be accompanied by an explanation of why the exception is being sought and what specific effect it will have on the vendor's ability to respond to the RFP or perform the contract.

Note: The Department reserves the right to not enter into a new contract with a current vendor who is under a corrective action plan until all corrective requirements have been met.

1.7.2 UNDERSTANDING OF SPECIFICATIONS AND REQUIREMENTS

By submitting a response to this RFP, vendors agree to an understanding of and compliance with the specifications and requirements described in this RFP.

1.7.3 PRIMARY VENDOR/SUBCONTRACTORS

The primary vendor if a contract is awarded shall be responsible, in total, for all work of any subcontractors. All subcontractors, if any, must be listed in the proposal. The vendor shall not assign, transfer or subcontract any portion of the contract without the written consent of the Department. The vendor shall be responsible to the Department for the acts and omissions of all subcontractors or agents and of persons directly or indirectly employed by such subcontractors, and for the acts and omissions of persons employed directly by the vendor. Any awards made as a result of this document will create a contractual relationship between the vendor and the Department, not the subcontractor.

1.7.4 VENDOR'S SIGNATURE

An individual authorized to legally bind the organization submitting the proposal must sign the original proposal in ink. The vendor's signature on a proposal in response to this RFP guarantees that the offer has been established without collusion that would preclude the Department from obtaining the best possible service for the best possible price.

1.8 SUBMITTING A PROPOSAL

1.8.1 REQUIRED COPIES AND DEADLINE FOR RECEIPT OF PROPOSALS

Vendors must submit **one (1)** original proposal, **seven (7)** copies and **one (1)** electronic (PDF preferred) copy on CD or DVD clearly labeled with the Vendor's name and the RFP title and number to:

**Starr Stewart, Director
Office of Procurement
Alabama Department of Human Resources
Gordon Persons Building, Room Q3-019
50 Ripley Street**

Montgomery, AL 36130-4000

Proposals must subscribe to the section/subsection headings and numbering format (i.e., **4.2.5.1 Vendor Qualifying Information**) as specified in *Section 4 Proposal Format and Instructions*. Proposals must be sealed and labeled on the outside of the package to clearly indicate that they are in response to the **RFP# 2019-300-03 (Integrated Work Support Program)**. **Proposals must be received at the receptionist's desk of the Resource Development-Office of Procurement by 12:00 p.m., local time, Thursday, August 29, 2019.** Two business (Monday-Friday) days prior to the due date, proposals may be hand delivered between the hours of 9:00 a.m. - 12:00 p.m. (with the exception of state and federal holidays). Faxed and electronically submitted responses to requests for proposals are NOT accepted.

1.8.2 FAILURE TO COMPLY WITH INSTRUCTIONS

Vendors failing to comply with these instructions may be deemed non-responsive or subject to point deductions. The Department may also choose to not evaluate, and disqualify from further consideration any proposals that do not follow the format described in Section 4: *Proposal Format and Instructions*, are difficult to understand or read, or are missing any requested information.

1.8.3 COST PROPOSAL FORMS

Vendors **must** respond to this RFP by utilizing the cost proposal forms found in *Appendix E*. These forms will be used as the primary representation of each Vendor's cost, and will be used extensively during proposal evaluations. Additional information should be included as necessary to explain in detail the Vendor's cost.

1.8.4 TIMELY SUBMITTED PROPOSALS

All timely submitted proposals and materials received in response to this RFP become the property of the Department and will be incorporated into any formal documentation and/or contract resulting from this RFP between the Department and the Vendor.

1.8.5 LATE PROPOSALS

Regardless of the cause, late proposals will not be accepted and will automatically be disqualified from further consideration. It shall be the Vendor's sole risk to assure delivery at the receptionist's desk at the designated office by the designated time. Late proposals will not be opened and may be returned to the Vendor at the expense of the Vendor or destroyed if requested.

SECTION 2: STANDARD INFORMATION

2.0 AUTHORITY

This RFP is issued under the authority of Section 41-16-72 of the Alabama Code (Act 2001-956, 2001 3rd Sp. Sess., p 817, §1.). Any awards resulting from this RFP will be made based on stated evaluation criteria. The weight assigned to each criterion denotes the relative importance of that criterion. No criteria, other than that identified in this RFP, will be used.

2.1 VENDOR COMPETITION

In accordance with 45 CFR 74.43, the Department encourages free and open competition among Vendors. Whenever possible, the Department will design specifications, proposal requests, and conditions to accomplish this objective, consistent with the necessity to satisfy the Department's need to procure technically sound, cost-effective services and supplies.

2.2 NONDISCRIMINATION

In accordance with 45 CFR 74.44, no person shall be excluded from participation in, be denied benefits of, be discriminated against in the admission or access to, or be discriminated against in treatment or employment in the Department's contracted programs or activities on the grounds of handicap and/or disability, age, race, color, religion, sex, national origin, political beliefs or any other classification protected by Federal or Alabama State Constitutional or statutory law; nor shall they be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of contracts with the Department or in the employment practices of the Department's contractors. Accordingly, all Vendors entering into contracts with the Department shall, upon request, be required to show proof of such nondiscrimination and to post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.

2.3 CERTIFICATE OF COMPLIANCE AND E-VERIFY

Only U.S. citizens or foreign citizens who have the necessary authorization to legally work in the United States may be employed to work under any contract with the Department. Vendors must agree to not knowingly employ, hire for employment, or continue to employ an unauthorized alien, and must provide to the Department a certificate of compliance with the Beason-Hammon Alabama Taxpayer and Citizen Protection Act (*Appendix D*).

The United States Citizenship and Immigration Services (www.uscis.gov) provides E-Verify, an internet-based system that allows companies to determine their employees' eligibility to work in the United States. Vendors must participate in the E-Verify program and verify every employee that is required to be verified according to the applicable federal rules and regulations. Vendors must provide documentation to the Department establishing that they are enrolled in the E-Verify program.

Vendors must agree to not knowingly employ, hire for employment, or continue to employ a subcontractor to perform work under a contract that knowingly employs, hires for employment, or continues to employ an unauthorized alien. Any subcontractor hired to perform work under a contract must attest to such by sworn affidavit signed before a notary. Subcontractors must also enroll in the E-Verify program prior to performing any work on a project and must attach to the sworn affidavit documentation establishing that the subcontractor is enrolled in the E-Verify program.

2.4 DUNS NUMBER

Vendors must obtain a Dun & Bradstreet, or D-U-N-S, Number, a unique nine-digit identification number for each physical location of your business. D-U-N-S Number assignment is free for all businesses required to register with the federal and state government for contracts or grants.

2.5 PROPOSAL EFFECTIVE PERIOD

All proposals submitted in response to this RFP shall be effective for a 180-day period following the deadline for receipt of proposals as specified in the Schedule of Events and may not be modified, withdrawn or canceled by the Vendor during this period.

2.6 TRADE SECRETS

As part of the initial evaluation, the procurement officer in charge of this solicitation will review proposals received in response to this RFP, for any information deemed a “trade secret” by the vendor and separate identified parts of proposal from public viewing providing the following conditions have been met: (1) confidential information is clearly marked and separated from the rest of the proposal; (2) the proposal does not contain confidential material in the cost or price section; and (3) an affidavit from a Vendor’s legal counsel attesting to and explaining the validity of the trade secret claim is attached to each proposal containing trade secrets. If applicable, the Vendor’s Legal Counsel must use the Department of Human Resources “Affidavit for Trade Secret Confidentiality” form when requesting the trade secret claim. The affidavit form (*Appendix C*) is included in this document.

Information separated out under this process will be available for review only by the procurement officer, the evaluation committee members, and limited other designees. Vendors must be prepared to pay all legal costs and fees associated with defending a claim for confidentiality in the event of a “right to know” (open records) request from another party.

2.7 PRE-SCREENING AND EVALUATION OF PROPOSALS

2.7.1 PRE-SCREENING

During the pre-screening, proposals will be reviewed to ensure compliance with all general and mandatory requirements. Upon completion of this initial review they will be classified “responsive” or “non-responsive”. However; proposals may be found non-responsive at any time during the evaluation process if the proposal does not meet the formatting requirements specified in the RFP; if any of the required information is not provided; or the submitted price is found to be excessive or inadequate as measured by criteria stated in the RFP. Proposals declared non-responsive, will not receive further consideration.

2.7.2 EVALUATION OF PROPOSALS

All responsive proposals will be evaluated against the stated criteria. However, this does not preclude the Department from any discussions/negotiations or requests for a best and final offer that it may deem necessary to assist in determining the Vendor. In scoring against stated criteria, the Department may consider such factors as accepted industry standards and a comparative evaluation of all other qualified RFP responses in terms of differing price, quality, and contractual factors to determine the most advantageous offering to the Department.

2.8 DISCUSSION/NEGOTIATION AND/OR ORAL PRESENTATION/PRODUCT DEMONSTRATION

After receipt of all proposals and prior to the determination of the award, the Department may initiate discussions with one or more Vendors should clarification or negotiation be necessary. Vendors may also be required to make an oral presentation and/or product demonstration to clarify their RFP response or to further define their offer. In either case, Vendors should be prepared to send qualified personnel to **Montgomery, Alabama**, to discuss technical and contractual aspects of the proposal. Oral presentations and product demonstrations, if requested, shall be at the Vendor’s expense.

2.9 BEST AND FINAL OFFER

The Department reserves the right to request a “best and final offer” for this RFP based on price/cost alone, from one or more Vendors if additional information is required to make a final decision. Vendors may be contacted asking that they submit their “best and final offer,” which must include any and all discussed and/or negotiated changes.

2.10 PUBLIC REQUESTS FOR INFORMATION

All information received in response to this RFP, including copyrighted material, is deemed public information and will be made available to the public upon requests shortly after the signing of a contract(s) with the exception of: (1) trade secrets meeting the requirements of the Alabama Trade Secrets Act, that have been properly marked, separated, and documented; and (2) any financial information requested by the Department, unless prior written consent has been given by the Vendor.

2.11 COST OF PREPARING A PROPOSAL

The Department is not liable for any expense incurred by the Vendor in the preparation and presentation of their proposal or any other costs incurred by the Vendor prior to execution of a contract. All costs are the responsibility of the Vendor.

2.12 DEPARTMENT’S RIGHTS RESERVED

While the Department has every intention to award a contract as a result of this RFP, issuance of the RFP in no way constitutes a commitment by the Department to award and execute a contract. Upon determination such actions would be in its best interest, the Department, in its sole discretion, reserves the right to the following:

2.12.1 PRE-SELECTION DISCRETION

The Department reserves the right at its sole discretion, at any time and for any reason, to reject any or all of the proposals submitted in response to this RFP, or to cancel this RFP, if it is deemed by the Department to be in its best interest to do so.

2.12.2 POST-SELECTION DISCRETION

Upon selection of a proposal, the Department reserves the right, at its sole discretion, at any time and for any reason, to change its decision with respect to the selection and to select another proposal, or to cancel the RFP, if it is deemed by the Department to be in its best interest to do so.

2.12.3 WAIVERS

Notwithstanding the amendment provisions otherwise set forth herein, the Department reserves the right at its sole discretion, to waive any minor irregularity in an otherwise valid proposal which would not jeopardize the overall program and to award a contract on the basis of such a waiver in the event the Department determines that such award is in the best interest of the Department. Minor irregularities are those which will not have a significant adverse effect on the overall program cost or performance.

2.12.4 NEGOTIATIONS

The Department reserves the right to negotiate with any vendor whose proposal is within the competitive range, as specified in the RFP with respect to technical plan and cost, as well as to select a vendor other than the vendor offering the lowest price.

2.12.5 ADOPTION OF IDEAS

The Department reserves the right to adopt to its use all or any part, of a vendor’s proposal and to use any idea or all ideas presented in a proposal.

2.12.6 ORAL PRESENTATIONS

The Department reserves the right to require some or all of the vendors to provide oral presentations of their proposals.

2.12.7 AMENDMENTS

The Department reserves the right to amend the RFP. Except as provided above with respect to “WAIVERS” made by the Department, all amendments to the RFP will be made by written addendum issued by the Department and posted to the web at www.dhr.alabama.gov under this RFP link.

2.12.8 NO GUARANTEE OF CONTRACT

2.12.9 RIGHT TO INVESTIGATE AND REJECT

The Department may make investigations as deemed necessary to determine the ability of the Vendor to perform the services specified. This includes the Department’s ability to reject the proposal based on negative references.

2.12.10 DISCLAIMER

Issuance of this RFP does not constitute a commitment by the Department to select any proposal submitted in response to the RFP, or to award a contract to any vendor who responds to this RFP.

SECTION 3: SCOPE OF PROJECT

3.0 TANF OVERVIEW

The Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA) (Pub. L. 104-193), as amended, is the welfare reform law that established the Temporary Assistance for Needy Family (TANF) program. TANF replaced the national welfare program known as Aid to Families with Dependent Children (AFDC) and the related programs known as the Job Opportunities and Basic Skills (JOBS) program and the Emergency Assistance (EA) program.

The TANF program is administered by the Administration for Children and Families (ACF), which is a division of the Department of Health and Human Services. The program's goal is to promote the economic and social wellbeing of families, children, individuals, and communities through partnerships, funding, guidance, training, and technical assistance.

TANF is a block grant that provides \$16.6 billion annually to states, territories, the District of Columbia, and federally-recognized Indian tribes. These TANF jurisdictions use federal TANF funds to provide income support to low-income families with children, as well as to provide a wide range of services (e.g., work-related activities, childcare, and refundable tax credits) designed to accomplish the program's four broad purposes.

These statutory purposes for the TANF Program are to provide assistance to needy families so that children may be cared for in their own homes or in the homes of relatives; end the dependence of needy parents on government benefits by promoting job preparation, work, and marriage; prevent and reduce the incidence of out-of-wedlock pregnancies; and encourage the formation and maintenance of two-parent families.

3.1 ALABAMA'S TANF PROGRAM

3.1.1 MISSION

The mission of the (TANF) Program, known as Family Assistance (FA) in Alabama, is to encourage the care of children in their own homes or in the homes of relatives by furnishing temporary financial assistance and services to needy families with children so as to: provide a reasonable subsistence compatible with decency and health as far as practicable under the conditions in the State; help maintain and strengthen family life; and help such parents or relatives to attain or retain capability for the maximum self-support and personal independence consistent with the maintenance of continuing parental care and protection.

3.1.2 GENERAL PROVISIONS OVERVIEW

Alabama conducts programs designed to serve all political subdivisions in the State (not necessarily in a uniform manner) to provide assistance and/or services to needy families with children through local County Departments of Human Resources situated in all 67 counties in Alabama. Activities of these offices for programs 1– 3 below include: accepting and processing applications for assistance, conducting reviews and redeterminations of eligibility, providing child support enforcement services, offering information and referral services, delivering family intervention and preservation services, and managing a program of work activities and requirements known as the JOBS Program. Special Projects may not necessarily be available on a statewide basis. Programs are:

1. Temporary Cash Assistance (limited to 5 years)
2. Work Program (includes services to current and former recipients of cash assistance)
3. TANF Emergency Assistance

4. TANF (Direct) Child Welfare
5. Special Projects

3.2 SERVICE DESCRIPTION

The ***Integrated Work Support Program*** (IWSP) was developed to promote the goals of the Temporary Assistance to Needy Families (TANF) Program by providing education, training, and job placement for TANF recipients and TANF-eligible persons as a means to acquiring and maintaining employment and achieving self-sufficiency. The IWSP includes several components designed to ensure multiple paths to skill development and employment. Individuals are referred by the local County Department(s) of Human Resources JOBS staff in accordance with JOBS Program policy. Proposed programs must incorporate a “personal responsibility” and “work-first” approach, and the programs must be designed to equip eligible individuals so that they can overcome barriers to employment, increase their marketable skills and employability, and gain and retain employment and/or volunteer placements. A numeric measure of participation known as the Work Participation Rate (WPR) is crucial for the success of Alabama’s JOBS Program and must be given priority as components of the Integrated Work Support Program are planned. Therefore, program design must include 35 hours per week of participation activities. Vendors may propose a variety of evidence-based approaches, and they must develop programs that incorporate a combination of services rather than one stand-alone approach.

Vendors must describe the proposed service, the procedures that will be used to meet the program requirements, and successful outcomes. Vendors must provide their program’s anticipated successful outcomes using unduplicated participants. Vendor performance will be evaluated based on the number of clients who meet or exceed the required number of countable hours (35) in the appropriate activity, the number of clients employed, and the vendor’s success at accomplishing their proposed numeric goal.

Proposed programs must provide JOBS Program participants with the opportunity to meet the State participation requirements of thirty-five (35) hours per week, with a minimum of twenty (20) hours in core activities and the remaining hours in core, noncore, or a combination.

“Core” activities include unsubsidized and subsidized employment, on-the-job training, job search, job readiness, work experience (Community Employment, or CEMP, in Alabama), and vocational education training. “Non-Core” activities include job skills training, education directly related to employment, and satisfactory attendance at secondary school or in a GED program. More information is available at <https://www.acf.hhs.gov/ofa>. Non-core activities must be combined with sufficient core activity hours in order to be countable for federal requirements.

3.2.1 JOB READINESS CLASSES

The **Job Readiness Classes** component must include job search and obtainment as well as instruction and assistance to individuals in a classroom setting or one-on-one. Curriculums must be evidence-based and include activities designed to prepare individuals for seeking employment, as well as for obtaining and maintaining employment. In addition to traditional job readiness subjects, training must include basic computer skills needed to navigate the internet for seeking out job-related information and employment opportunities, posting resumes, and applying for jobs online. All activities must be structured, supervised, and documented daily. Job readiness classes must be conducted for at least seven (7) hours per day (thirty-five [35] hours per week) for a maximum of four (4) consecutive weeks. Programs should actively engage the participants and encourage participation. In order for a participant to be counted as “in attendance” for a full day, that person must be present for at least five (5) hours of class. Three (3) hours of attendance count as a half day of attendance. A written curriculum for

each session must be submitted to the county Department of Human Resources initially and whenever changes are made.

3.2.2 JOB SKILLS TRAINING

The **Job Skills Training** component includes classroom or individualized training as required by a specified career path and needed in order to obtain employment in that particular career. It also consists of customized training to meet the needs of designated employers. A day of Job Skills Training is not to be less than five (5) scheduled hours without the consent of DHR/JOBS. One possible training activity is classroom or individualized instruction designed to improve individual performance on the assessment for the Career Readiness Certificate (CRC). Visit <https://alabamareadytowork.org/credentials/> for more information about the CRC. Job Skills Training is considered a non-core activity and must be assigned in coordination with an appropriate core activity for a combined total of thirty-five (35) hours per week. Appropriate partner activities include but are not limited to employment and CEMP.

Note: If Job Skills Training is completed at a CEMP site in coordination with a CEMP activity (whether hours are completed at the same CEMP site or at a different site), no (0) days of Job Skills Training can be counted or billed until after the required CEMP hours are completed for the month.

3.2.3 STRUCTURED JOB SEARCH

The **Structured Job Search** component requires the vendor to refer JOBS clients to specific job openings, recruit employers to hire participants, coordinate with the Alabama Career Centers, and supervise the aforementioned services during the job search. The job seeking activities must be assigned in increments lasting no longer than two (2) weeks for thirty-five (35) hours per week, and the participant's activities must be structured, supervised, and documented daily. Preparation activities, completion of applications, interviews, and other tasks directly related to securing employment must be supervised and monitored. Clients not in attendance for a minimum of five (5) hours per day are not considered to have participated.

3.2.4 JOB PLACEMENT

The **Job Placement** component involves acquiring or assisting a JOBS client in the acquisition of at least minimum wage employment for at least thirty (30) hours per week. A vendor must report the employment to DHR/JOBS within one (1) day of when the vendor becomes aware of the job. The vendor must provide the name of the client, the name and location of the employer, and as many details about the client's anticipated wages and hours as possible. Providing contact information for the employer and the name of a person who can verify the client's wage information is recommended, as DHR/JOBS must verify employment and that the wage and actual number of hours worked are sufficient before payment for the job placement can be made to the vendor.

3.2.5 JOB COACHES

The **Job Coach** component involves services to a special population of JOBS clients, as determined by the county. These services offer the client a person to model the employment tasks to which the client has been

assigned. The coach learns the assigned task, accompanies the client to the employment site, and then teaches the client how to accomplish the task by giving instruction, observing, and providing feedback. Continuous involvement may be needed, as this component may include services to the employer and the client to resolve workplace problems that involve the client. All employer and client contacts must be documented as they occur, and the vendor should obtain logs of client and vendor attendance signed by the employers.

3.2.6 COMMUNITY EMPLOYMENT (CEMP)

The **Community Employment** component involves the placement of JOBS clients as volunteer workers in non-profit or for-profit businesses, both public and private. For-profit placements have a maximum duration of three (3) months, whereas non-profit placements have a maximum duration of six (6) months. The CEMP placement must provide the client with opportunities to acquire general skills, training, knowledge, and work habits that are necessary to obtain and/or retain employment. The maximum number of hours that a client may be placed in CEMP will be determined by the JOBS Case Manager. This activity includes the recruitment of CEMP providers and the monitoring and supervision of clients in CEMP placements. If this activity does not meet the required thirty-five (35) weekly hours alone, additional hours must be assigned.

Note: Months in which an individual client does not complete all assigned hours of CEMP are paid at a prorated daily rate. The vendor's monthly rate and the number of required CEMP hours are to be divided by 20 to obtain a daily rate and an average number of hours to be completed per day. Actual completed hours are divided by the average hours to determine how many days the client is considered to have attended. The daily rate is then multiplied times the number of full days completed by the client. Daily hours are not a factor if the client makes up missed time and completes all assigned hours of CEMP for the month. There is no payment for partial days.

Note: Vendors may charge up to half of their regular rate to complete CEMP placement activities with the client. CEMP placement activities include assessing the client, locating and developing appropriate CEMP sites, and other activities that must be completed before a client can begin a volunteer placement. Vendors may only invoice for placement activities once per client unless the local county DHR requests that the vendor find a new placement. Vendors may not earn more than the monthly CEMP maximum for CEMP for one individual client during the same month.

Note: Vendors may serve as CEMP sponsors, but they may not be paid to monitor and supervise CEMP participants placed in their own facilities.

3.2.7 WORK ADJUSTMENT EMPLOYMENT

The **Work Adjustment Employment** component involves paid employment for the JOBS client at minimum wage for a maximum of three (3) months, in a supervised work setting where barriers are assessed and clients are assisted with modifying behaviors that limit their chances of obtaining and/or maintaining employment. Participants perform a variety of tasks at a minimum of thirty-five (35) hours per week. Vendors must provide proof of the client's employment, including the wage, the number of hours, the start date, the date of the client's first pay check, how often the client will be paid, and contact information for the employer. Client progress should be documented on each day of attendance.

3.3 ELIGIBLE PARTICIPANTS

Individuals eligible for services under this procurement must be referred by the county JOBS unit in accordance to the JOBS program policy. The local County Department(s) of Human Resources must provide a written

referral certifying the individual's eligibility. The Department may, at its sole discretion, elect to expand the pool of potentially eligible participants if it is deemed by the Department to be necessary and appropriate to better serve the purposes of TANF. Eligibility of all participants must be cleared through the local County Department of Human Resources and be verified by use of DHR-FAD-2074, Eligibility and Affirmation for TANF Services.

3.4 ADDITIONAL REQUIREMENTS

Vendors must include plans to incorporate information about supportive services such as the Earned Income Tax Credit (EITC), Food Assistance, subsidized childcare, DHR's Short-term Employment Assistance (SEA) services, SAIL Program, and other community resources. Vendors will be responsible for the logistics surrounding component involvement, including securing meeting space, furnishing supplies, and acquiring equipment needed for the training needs of the participants.

3.5 DOCUMENTATION

Vendors will be required to monitor and document participants' attendance/progress in each activity and must notify the county DHR JOBS unit immediately (**within one [1] day**) when the participant fails to engage, is absent from a class or the worksite, or exhibits uncooperative behavior. Vendors must verify each participant's attendance/progress on the JOBS Monthly Attendance/Progress Report form and submit the form to the county JOBS unit every two (2) weeks or as otherwise required by DHR. The vendor should obtain daily attendance logs that are signed by the client and other involved parties (employers, CEMP sponsors, etc.) and which include exact times that the client arrived and left each activity. The vendor must agree to notify DHR/JOBS within **one (1) day** if supportive service needs are identified. Vendors will also be required to submit a completed Monthly Participation Record to State DHR with copies to the county DHR offices.

3.6 MONITORING

DHR staff will monitor to ensure that programs are in compliance with contract requirements as well as with state and federal rules and regulations. Monitoring will take several forms.

3.6.1 SITE VISITS

Site visits may be announced or unannounced, and they may be completed by any member of DHR Family Assistance staff. The purpose of a visit will be to review the physical environment and records, as well as the content of the program and the performance of the program staff. The ultimate goal of all visits will be to ensure that clients are being adequately trained and equipped for employment, which will aide in their goal of self-sufficiency.

3.6.2 REVIEW OF DOCUMENTATION

All documentation submitted to the agency is subject to scrutiny by the Department. Billing, monthly participation reports, test score results, and all other submitted documentation will be reviewed for compliance with departmental rules.

3.7 COLLABORATION

Vendors are encouraged to work with and utilize the services of the Alabama Career Centers. In compliance with the Workforce Innovation and Opportunity Act (WIOA) JOBS client will be registered with the Career Centers via an electronic link during our initial process.

3.8 APPLICABLE PROGRAM LAWS/REGULATIONS

The services to be provided as described in this RFP are subject to all federal and state laws, regulations, rules and procedures applicable to the receipt and expenditure of federal TANF and state funds, including, but not limited to:

- A. The HHS program regulations found at 45 CFR Parts 260-265 (hereinafter referred to as the “Regulations”);

Present the vendor’s position on the matter. Vendors must include a detailed line-item budget using the **Cost Reimbursement Budget or Fixed Rate Budget** forms (*See Appendices F and G*), in accordance with the respective instructions. (The budget must not include any costs associated with the purchase of equipment). Costs associated with the proposed services, such as meeting space, supplies, and other training needs, are the responsibility of the Vendor and should be factored into the budget. Vendors are encouraged to contact the DHR office in the county being service because meeting space may be made available on a cost-free basis for short-term training programs, at the sole discretion of the county DHR Director.

5.1 INDIRECT COST

Vendors who submit a cost reimbursement budget may only include indirect costs if they have a federally approved indirect cost rate. The Department reserves the right to disallow any or all indirect costs. However, if the Department approves the costs, such costs may reflect an amount not to exceed the appropriate prorated share of the Vendor's actual federally approved rate or 10%, whichever is less. Any approval by the Department of such costs is subject to the following constraints:

- A. Vendors must be able to document that such costs are incurred in addition to the direct costs outlined in the program budget. No undocumented costs will be allowed.
- B. The same cost may not be charged as both a direct and indirect cost.
- C. Vendors must demonstrate that "like costs" are allocated consistently across all benefiting cost objectives. For example, the Vendor may not charge telephone costs as a direct cost to the Department for the proposed service and, at the same time, allocate such costs for one or more other programs administered by the Vendor as an indirect cost.

5.2 BUDGET ADDENDUM

5.2.1 DETAILED LINE-ITEM BUDGET

Vendors submitting a detailed line item "Cost Reimbursement Budget" must include descriptions and the following forms, as applicable. Forms must be submitted in the following order:

- A. The "Use Allowance – Equipment" form (See Appendix J), in the event the Vendor's budget includes costs for the use of equipment owned by the Vendor. The Vendor may elect to recoup cost for such equipment through a depreciation allowance rather than through the use allowance. If the depreciation allowance is selected, the annual depreciation amount must be based on the original purchase price (as documented by a copy of the original invoice) minus the actual documented salvage value, or 10% of the original purchase price, whichever is less, to obtain the net cost basis. The net cost basis must then be divided by the useful life of the equipment, which is five (5) for both the use allowance and the depreciation allowance, to obtain the annual depreciation amount. Under either option, the proposal must include a copy of the original invoice reflecting the original purchase price, date of purchase and, if available, a statement from the original vendor as to the salvage value of the equipment.
- B. The "Use Allowance – Space" form (See Appendix L), in the event the Vendor's budget includes costs for the use of space owned by the Vendor.

- C. The Statement of Comparable Rent form (See Appendix M) in the event the Vendor's budget includes costs associated with rent or lease. The budgeted amount must not exceed the lesser of three certified statements completed in accordance with the form's instructions.

- D. In addition, include in the following order, as applicable, a copy of:
 - 1. The rent or lease agreement;
 - 2. A detailed itemized list of equipment, associated invoices, salvage value statements, equipment lease agreement(s) and/or maintenance agreement(s);
 - 3. A detailed itemized list of the types of supplies, if included in the proposed budget;
 - 4. Proposed subcontracts including a budget and narrative of services to be performed by the subcontractor.

5.3 BUDGET NARRATIVE

Cost Proposals must include a budget narrative, **not to exceed 5 pages**.

5.3.1 DETAILED LINE-ITEM BUDGET

The budget narrative must explain the nature and requisite need for the amounts proposed in each budget line item, explaining the methodology for determining each cost.

- A. The narrative must describe how the proposed personnel costs compare to other personnel costs incurred by the Vendor in other programs and to similar labor costs elsewhere within the local market.

- B. If the Vendor elects to budget costs associated with depreciation for equipment owned by the Vendor, the budget narrative must include a detailed description of the depreciation formula used to calculate the budgeted allowance.

5.3.2 FIXED RATE BUDGET

Vendors must attest in the budget narrative that the rate(s) submitted in response to this procurement do not exceed the rate(s) the Vendor charge other organizations, agencies or individuals to whom the proposed service is provided.

APPENDIX A: STANDARD TERMS AND CONDITIONS

By submitting a response to request for proposal or acceptance of a contract, the vendor agrees to acceptance of the following Standard Terms and Conditions and any other provisions that are specific to this solicitation or contract.

ACCEPTANCE/REJECTION OF PROPOSALS: The Department reserves the right to accept or reject any or all proposals, wholly or in part, and to make awards in any manner deemed in the best interest of the Department. Proposals will be firm for 180 days, unless stated otherwise in the text of the request for proposal.

ACCESS AND RETENTION OF RECORDS: The contractor agrees to provide the Department, Legislative Auditor, or authorized agents, access to any records necessary to determine contract compliance. The contractor agrees to create and retain records supporting the services rendered or supplies delivered for a period of three years after either the completion date of the contract or the conclusion of any claim, litigation, or exception relating to the contract taken by the Department or third party.

ALTERATION OF SOLICITATION DOCUMENT: In the event of inconsistencies or contradictions between language contained in the Department's solicitation document and a vendor's response, the language contained in the Department's original solicitation document will prevail. Intentional manipulation and/or alteration of solicitation document language will result in the vendor's disqualification and possible debarment.

ASSIGNMENT, TRANSFER AND SUBCONTRACTING: The contractor shall not assign, transfer or subcontract any portion of the contract without the express written consent of the Department.

AUTHORITY: The following request for proposal, limited solicitation, or contract is issued under authority of Section 41-16-72 of the Alabama Code (Act 2001-956, 2001 3rd Sp. Sess., p 817, §1.)

CHARGE BACKS: The Alabama Department of Human Resources and Medicaid will deduct federal charge backs from future payments.

COMPLIANCE WITH LAWS: The contractor must, in performance of work under the contract, fully comply with all applicable federal, department, or local laws, rules and regulations, including the Civil Rights Act of 1964, the Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, and Section 504 of the Rehabilitation Act of 1973. Any subletting or subcontracting by the contractor subjects subcontractors to the same provision. The contractor agrees that the hiring of persons to perform the contract will be made on the basis of merit and qualifications and there will be no discrimination based upon race, color, religion, creed, political ideas, sex, age, marital status, physical or mental disability, or national origin by the persons performing the contract.

DEBARMENT: The contractor certifies, by submitting this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (contract) by any governmental department or agency. If the contractor cannot certify this statement, attach a written explanation for review by the Department.

DISABILITY ACCOMMODATIONS: The Department does not discriminate on the basis of disability in admission to, access to, or operations of its programs, services, or activities. Individuals, who need aids, alternative document formats, or services for effective communications or other disability-related accommodations in the programs and services offered, are invited to make their needs and preferences known to this office. Interested parties should provide as much advance notice as possible.

FACSIMILE RESPONSES: Facsimile responses will not be accepted for requested for proposals or limited solicitations.

FAILURE TO HONOR PROPOSAL: If a vendor to whom a contract is awarded refuses to accept the award (contract) or, fails to deliver in accordance with the contract terms and conditions, the Department may, in its discretion, suspend the vendor for a period of time from entering into any contracts with the Department.

FORCE MAJEURE: Neither party shall be responsible for failure to fulfill its obligations due to causes beyond its reasonable control, including without limitation, acts or omissions of government or military authority, acts of God, materials shortages, transportation delays, fires, floods, labor disturbances, riots, wars, terrorist acts, or any other causes, directly or indirectly beyond the reasonable control of the non-performing party, so long as such party is using its best efforts to remedy such failure or delays.

FOREIGN CORPORATIONS (OUT-OF-STATE FIRMS): Alabama law provides that a foreign corporation (out-of-state company/firm) may not transact business in the state until it obtains a certificate of authority from the Secretary of State, Section 10-2B-15.01, Code of Alabama 1975. To obtain form for a certificate of authority, contact the Secretary of State, Corporation Division, (334) 242-5324. Not having this certificate does not keep the vendor from registering.

HOLD HARMLESS/INDEMNIFICATION: The contractor agrees to hold the Department, its elected and appointed officials, agents, and employees, while acting within the scope of their duties as such, harmless from and against all claims, demands, causes of action of any kind or character, including the cost of defense thereof, arising in favor of the contractor's employees or third parties on account of bodily or personal injuries, death, or damage to property arising out of services performed or omissions of services or in any way resulting from the acts or omissions of the contractor and/or its agents, employees, representatives, assigns, subcontractors, except for acts of omission resulting from the sole negligence of the Department, under this agreement.

LATE PROPOSALS: Regardless of cause, late proposals will not be accepted and will automatically be disqualified from further consideration. It shall be solely the vendor's risk to assure delivery at the designated office by the designated time. Late proposals will not be opened and may be returned to the vendor at the expense of the vendor or destroyed if requested.

REGISTRATION WITH THE PURCHASING DIVISION: Any business intending to transact business in Alabama must register with the Alabama Purchasing Division by completing the Vendor Disclosure Statement. A copy of the Vendor Disclosure Statement can be downloaded from the Purchasing website at www.purchasing.alabama.gov.

SEVERABILITY CLAUSE: A declaration by any court, or any other binding legal source, that any provision of the contract is illegal and void shall not affect the legality and enforceability of any other provision of the contract, unless the provisions are mutually dependent.

SOLICITATION DOCUMENT EXAMINATION: Vendors must promptly notify the Department of any ambiguity, inconsistency, or error, which they may discover upon examination of a solicitation document.

TERMINATION OF CONTRACT: Unless otherwise stated, the Department may, by written notice to the contractor, terminate the contract in whole or in part at any time the contractor fails to perform the contract.

UNAVAILABILITY OF FUNDING: The Department, at its sole discretion, may terminate or reduce the scope of the contract if available funding is reduced for any reason.

U.S. FUNDS: All prices and payments must be in U.S. dollars.

APPENDIX C: TRADE SECRET AFFIDAVIT

Alabama Department of Human Resources

AFFIDAVIT FOR TRADE SECRET CONFIDENTIALITY

DEPARTMENT OF _____)

County of _____)

)ss.

_____ (Affiant), being first duly sworn under oath, and representing _____ (hereafter "Vendor"), hereby deposes and says that:

1. I am an attorney licensed to practice in the State of _____, representing the Vendor referenced in this matter, and have full authority from the Vendor to submit this affidavit and accept the responsibilities stated herein.

2. I am aware that the Vendor is submitting a proposal to the Alabama Department of Human Resources for RFP # _____. Public agencies in Alabama are required by Alabama law to permit the public to examine documents that are kept or maintained by the public agencies, other than those legitimately meeting the provisions of the Alabama Trade Secrets Act, Alabama Code Section 8-27-1, and that the Department is required to review claims of trade secret confidentiality.

3. I have read and am familiar with the provisions of the Alabama Trade Secrets Act, am familiar with the case law interpreting it, and understand that all information received in response to this RFP will be available for public examination except for:

- (a) trade secrets meeting the requirements of the Act; and
- (b) information requested by the Department to establish vendor responsibility unless prior written consent has been given by the vendor.

4. I am aware that in order for the Vendor to claim confidential material, this affidavit must be fully completed and submitted to the Department, and the following conditions must be met by the Vendor:

- (a) information to be withheld under a claim of confidentiality must be clearly marked and separated from the rest of the proposal;
- (b) the proposal may not contain trade secret matter in the cost or price; and
- (c) the Vendor's explanation of the validity of this trade secret claim is attached to this affidavit.

5. I and the Vendor accept that, should the Department determine that the explanation is incomplete, inadequate or invalid, the submitted materials will be treated as any other document in the department's possession, insofar as its examination as a public record is concerned. I and the Vendor are solely responsible for the adequacy and sufficiency of the explanation. Once a proposal is opened, its contents cannot be returned to the Vendor if the Vendor disagrees with the Department's determination of the issue of trade secret confidentiality.

6. I, on behalf of the Vendor, warrant that the Vendor will be solely responsible for all legal costs and fees associated with any defense by the Department of the Vendor's claim for trade secret protection in the event of an open records request from another party which the Vendor chooses to oppose. The Vendor will either totally assume all responsibility for the opposition of the request, and all liability and costs of any such defense, thereby defending, protecting, indemnifying and saving harmless the Department, or the Vendor will immediately withdraw its opposition to the open records request and permit the Department to release the documents for examination. The Department will inform the Vendor in writing of any open records request that is made, and the Vendor will have five working days from receipt of the notice to notify the Department in writing whether the Vendor opposes the request or not. Failure to provide that notice in writing will waive the claim of trade secret confidentiality, and allow the Department to treat the documents as a public record.

Documents that, in the opinion of the Department, do not meet all the requirements of the above will be available for public inspection, including any copyrighted materials.
